#### Comments on teaching (strengths, areas for improvement)

[Student 20110](#) - Very supportive

[Student 49933](#) - Nice when needed, and helpful TA. The recitations weren't as good at explaining the "why" - so we just ran code mostly

[Student 51492](#) - It is difficult to follow recitations!

[Student 55752](#) - very nice and very helpful! it was a pleasure to meet him
